FACILITIES & ACTIVITIES

The estate is brushed with striking hues, as if from an artist's pallet, and transforms from deep greens to shades of bronze ahead of the colourful bursts of spring. Enjoy long walks along the contoured pathways and drop down along a mountain stream which feeds a series of well-stocked trout dams.

Restaurants

- The Flying Scotsman – Formal restaurant for an indulgent and intimate dining affair
- The Terrace – Serving breakfast, lunch, high tea and dinner paired with glorious views
- Peggy's Bar – Perfect for relaxed afternoons and pre- or post-dinner drinks

Gym

The gym is fully equipped with free weights and, for the cardio enthusiasts, there is a rowing machine, treadmill, stepper and stationary bicycle.

Spa

Our on-site Spa is a timeless place of peace and tranquillity; embraced by nature and the ultimate escape for pure self-indulgence, offering guests the opportunity to indulge in a wide-range of treatments and procedures delivered by qualified, experienced therapists.

Swimming Pool

Relax around our pool area when weather permits.

Fly Fishing

14 lakes and dams, stocked with Rainbow Trout, make Walkersons a fly-fisherman's paradise. There is fly fishing equipment for hire and patient hosts to assist novices who are keen to try their hand at fly fishing for the first time.

Picnics

Our picnic basket consists of a variety of delicacies to be enjoyed in the fresh and open-air spaces of Walkersons Hotel & Spa, along the beautiful winding rivers and waterfall. We cater for all dietary requirements and, on your request, we will gladly set up a picnic spot for you. The basket includes water and juice, and we invite you to choose a special bottle of wine or champagne from our award-winning wine cellar to complete your picnic.

Hiking, Biking & Walking Trails

A network of paved paths extends throughout the 800-hectare estate and up into the mountain reserve, making walking trails pleasantly simple. Over 3 000 meters of paved paths in the valley make it easy for either a hearty jog or a lazy, pleasant riverside stroll. A more energetic hike to the top of the estate will take you closer to the wild game which includes Impala, Zebra, Blesbuck, and offers truly spectacular panoramic views. If you want to move a little faster, hire one of our well-maintained mountain bikes and explore the various paths or go wherever the whim takes you.
